

# CC3-HCMS-KIT

# CLEAN COMFORT® INDOOR AIR ESSENTIALS

## Description

The CC3-HCMS-KIT is a 3 zone heat/cool zone panel designed for residential and light commercial zoning applications allowing a single HVAC unit to have up to three separate zones. A thermostat in each zone will control not only the desired space temperature by also the motorized zone damper. If a zone thermostat calls for heating or cooling, the zone not calling will have its damper powered closed, and the zone calling will have its damper opened. When the zone calling is satisfied, the heating or cooling equipment turns off.

## Standard Features

- Auto changeover
- First call priority with time share
- Includes electronic discharge air sensor and 40VA transformer
- LED status indication
- Independent fan control by zone
- Short cycle protection
- For use with 2 or 3 wire dampers

## 3 ZONE ZONE CONTROL PANELS

MODEL: CC3-HCMS-KIT
